Rockport Beach Memorial Bench Program

**Aransas County Navigation
District**

361-729-6661

Sample Locations

In the "Free Beach" Area

There are several other areas that would make wonderful locations for these benches based on what preference ie... bird viewing areas, walking path, south end of Little Bay or other locations in and around Rockport Harbor. The beach side benches will only be set in the grassy areas, not in the sand.

The above photo is an example of the bench that we are offering. It is a 6 foot long bench with 2x4 slats. The bench can be ordered in 3 different colors. Colors are brown, green, or grey (as shown below). Lettering can be routed into the planks at a cost of \$72.00 per board (38 characters per plank) or printed on cast aluminum for \$119.

Pricing

The cost of these memorial benches are \$2980 This includes the purchase of the bench, the set up of the lettering, the routed characters or cast aluminum plate, shipping, concrete slab and installation at a location agreed upon by you and the ACND. These benches will require advance payment. A proof of the lettering must be approved prior to the final order. Once engraving is complete estimated delivery and installation time is 60 days.

Please fill out the enclosed form and return, with payment, to the ACND office to begin processing.
